

18 U.S.C 2257 Exemption

**Federal Labeling and Record-Keeping Law**

**Date of Revision:** [11-20-25]

Unnecessary.ai (the “Website”) generates content using AI models trained **only on the likeness of real individuals who have completed KYC verification and provided explicit consent for their likeness to be used**. No content on the Website depicts any person who has not consented and verified their identity and age through this process.

All AI-generated images, videos, and related materials are created and controlled solely by the consenting, verified user associated with that likeness.

For questions or additional clarification regarding the 18 U.S.C. 2257 exemption, contact us at [support@unnecessary.ai](mailto:support@unnecessary.ai).
