

Human Trafficking Prevention and Compliance Policy

Effective Date: October 28, 2025

1. **Purpose.** The purpose of this policy is to ensure that Unnecessary Media, LLC (the “Company”) takes all reasonable measures to detect, prevent, and report any use of its platform, technology, or services in connection with human trafficking, sexual exploitation, or coerced adult content.

The Company maintains a zero-tolerance policy toward human trafficking and sexual exploitation in any form. The Company is fully committed to:

- preventing its technology from being used to create or distribute non-consensual exploitative content;
 - cooperating with law enforcement and regulatory agencies; and
 - maintaining transparency and accountability throughout its operations.
2. **Scope.** This policy applies to all:
 - website users; and
 - AI-generated or user-submitted content on the platform.
 3. **Prohibited Conduct.** The following activities are expressly prohibited on the website or through Company services:
 - creating, distributing, or promoting material that depicts non-consensual forced, coerced activity, or trafficked individuals;
 - any attempt to recruit or advertise individuals for illegal sexual services through the website;
 - any use of AI-generated likenesses to simulate non-consensual acts or depictions of real individuals without consent.
 4. **Identification and Prevention Measures.** To prevent misuse of its systems, the Company has implemented:
 - Human moderation to review flagged content;
 - Age and identity verification for all creators and users at the website; and
 - Periodic audits of AI models and datasets to monitor if unauthorized or unethical data is being used.
 5. **Reporting and Procedures.** Any user who suspects trafficking or exploitation must report immediately to the Company at support@unnecessary.ai

The Company may:

- immediately suspend the associated account or content;
- preserve evidence; and
- notify and cooperate with relevant law enforcement agencies

To the extent necessary, the Company maintains active communication channels with:

- law enforcement agencies;
- anti-trafficking organizations, and
- industry associations for adult content safety.

The Company will promptly comply with lawful subpoenas or requests related to trafficking investigations.
